APPOINTMENT WILL STRENGTHEN MANAGEMENT TEAM AT INNOVATIVE INSURANCE BROKERS

Derby-based commercial insurance brokers and risk managers Bell & Co has strengthened its management team with the appointment of a new Broking Manager.

Lee Davis joins Bell & Co from a Mansfield-based brokers where he has fulfilled a similar role for the past two years.

The 29-year-old, who holds a Diploma from the Chartered Institute of Insurance (CII), says he is delighted to join such a well respected firm.

“With the company’s track record of retaining clients and attracting new ones, this is clearly going to be a busy but rewarding job,” he explained.

Lee went on to say he was impressed by the positive atmosphere at the company and the ‘can do’ approach of its management team.

“The fact that Bell & Co is a member of the Willis Commercial Network – a partnership of more than 70 independent brokers who work together to develop stronger relationships with insurance companies – also attracted me to the firm,” he added.

Richard Salt, Managing Director of Bell & Co says that Lee's experience and enthusiasm will prove invaluable as the company looks to continue its growth and expand its services to a wider range of clients.

Since it was the subject of a management buy-out in 2001, Bell & Co has seen turnover rise from £4 million a year to around £10 million at the start of 2007.

"Over the past few years we have enjoyed significant growth and we hope to continue to go from strength-to-strength through constant innovation in an ever changing insurance market place," said Richard.

"To have a new Broking Manager of Lee's calibre will help us to achieve this aim," he added.
